**Subject:** Border Security Expo Update | U.S. Government Shutdown

---

Dear RAYMUNDO,

The Border Security Expo Team and the Advisory Board are closely monitoring the developments of the U.S. government shutdown, and are aware that if the shutdown continues, federal government attendance at BSE will be affected immensely.

As of today, we are planning to hold the event on the original dates: February 6-8 in San Antonio but are actively exploring alternative dates that will help ensure the Expo's success.

We are hopeful that leadership discussions this week will provide some guidance, but please be on the lookout for an additional update on Monday, January 14 as we continue our planning to provide you the best event possible.

Best regards,

Tom Mapes  
Event Director
